

LAS CONSTELACIONES

A celestial globe is depicted, showing various constellations represented by white stars connected by green lines. The globe is overlaid with a grid of blue and red lines representing celestial coordinates. A small blue and white Earth is visible at the center of the globe. The title "LAS CONSTELACIONES" is written in large, bold, orange letters across the middle of the globe.

MOVIMIENTO APARENTE DE LA BÓVEDA CELESTE

ESTA ES UNA FOTO HECHA CON EXPOSICIÓN PROLONGADA

¿Por qué aparecen estos arcos luminosos en lugar de estrellas “fijas”?
