

A photograph of the ship 'PRESTIGE' taken from a low angle. The ship's name 'PRESTIGE' is written in large, blue, sans-serif capital letters on a white horizontal panel. Below the panel, a crew member wearing a dark cap and a reddish-brown jacket is visible on the deck. The ship's structure includes a yellow mast, red-painted vertical supports, and white railings. A blue spherical object is mounted on the mast. The background is a clear, light sky.

PRESTIGE

PRESTIGE

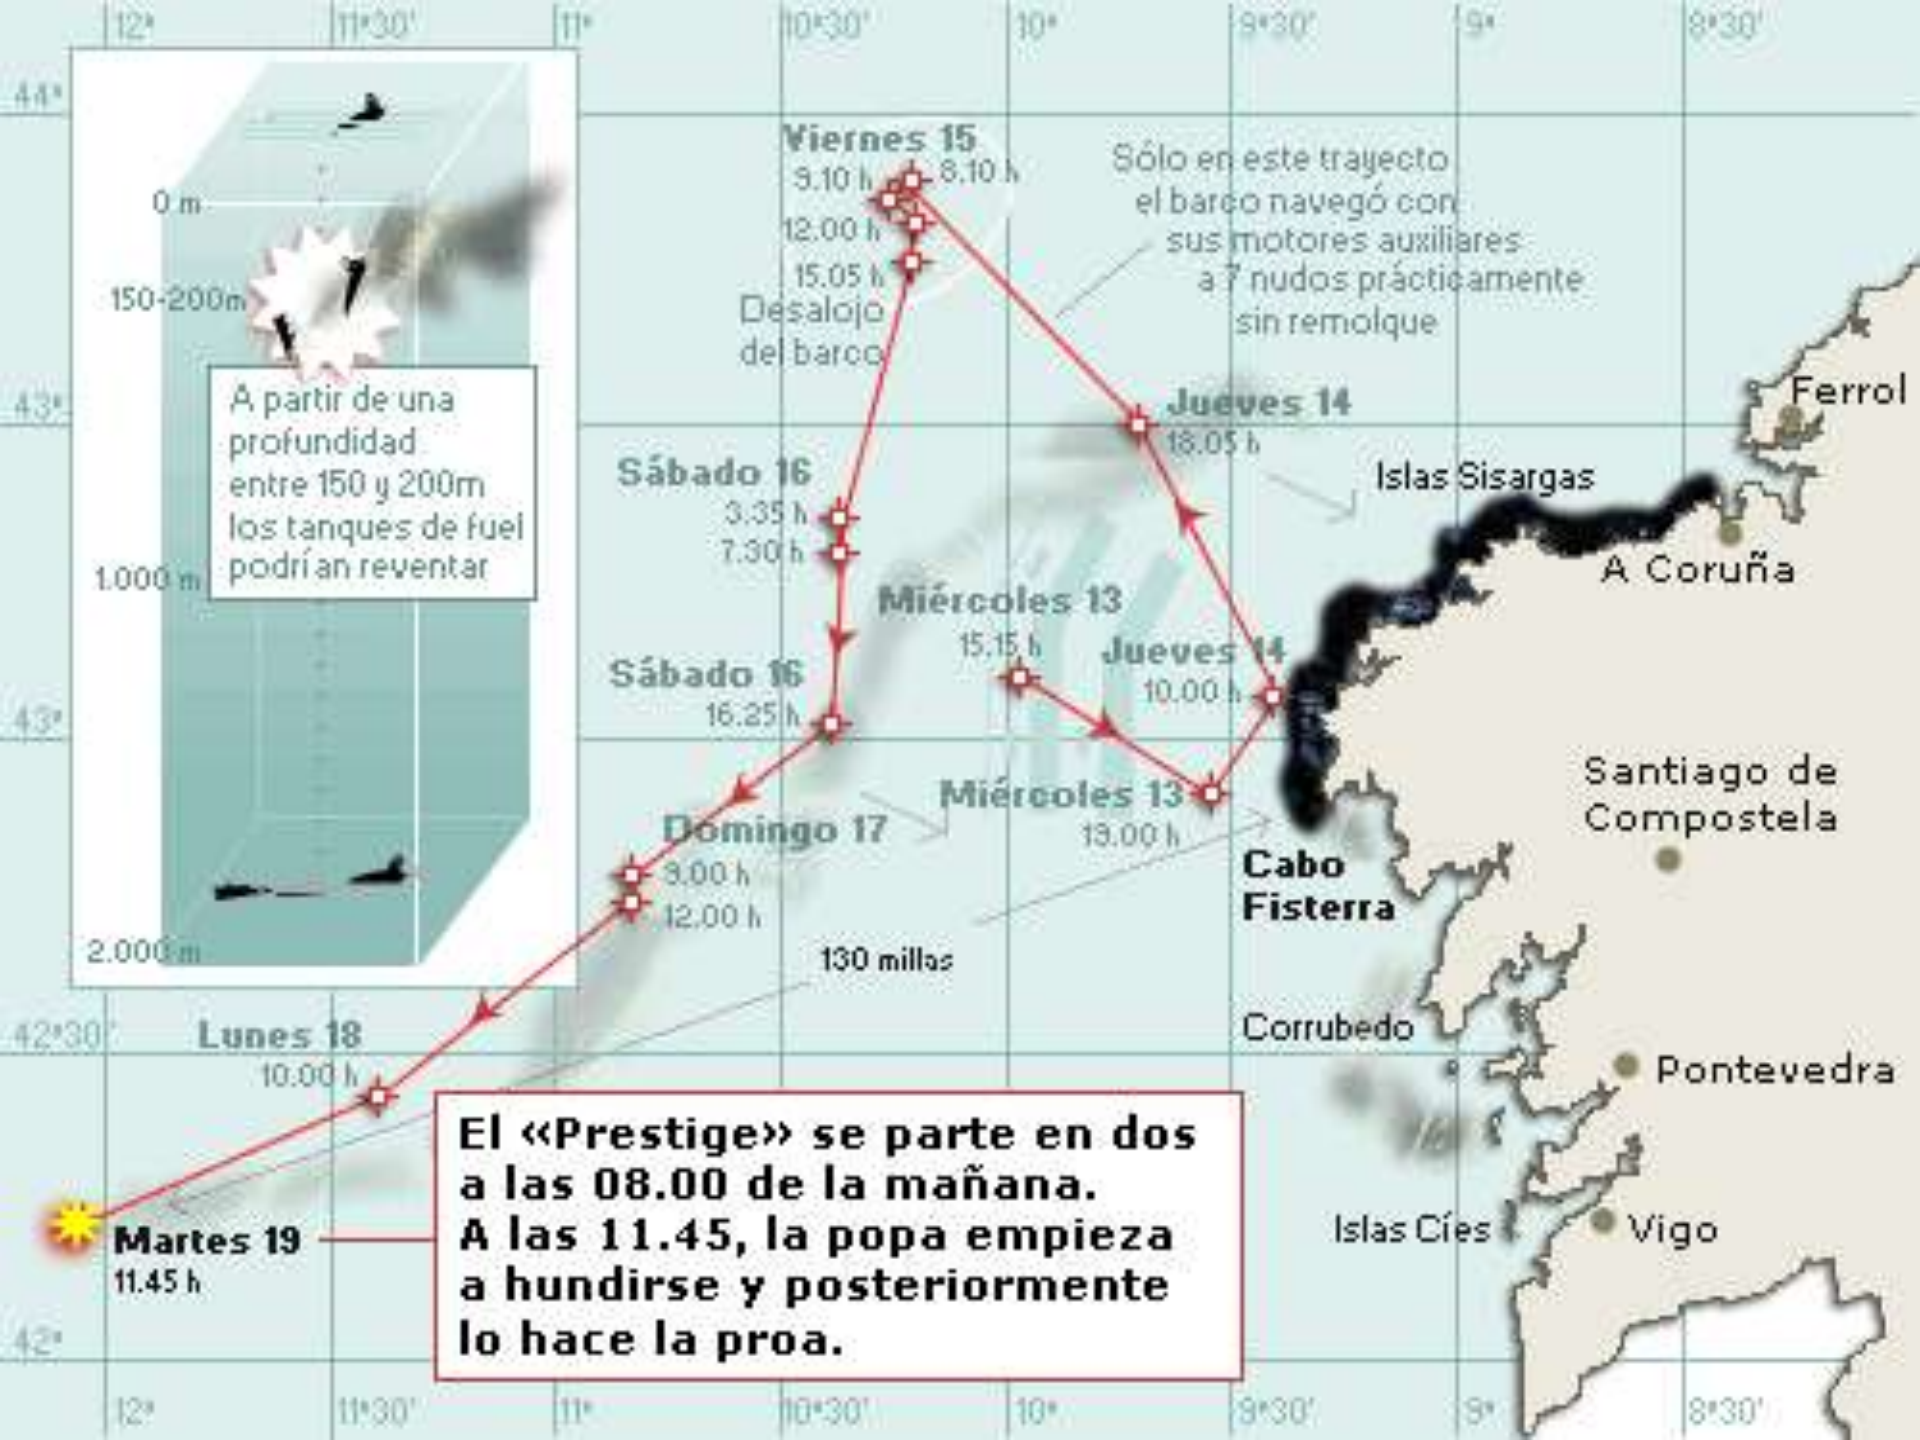

A partir de una profundidad entre 150 y 200m los tanques de fuel podían reventar

El «Prestige» se parte en dos a las 08.00 de la mañana. A las 11.45, la popa empieza a hundirse y posteriormente lo hace la proa.

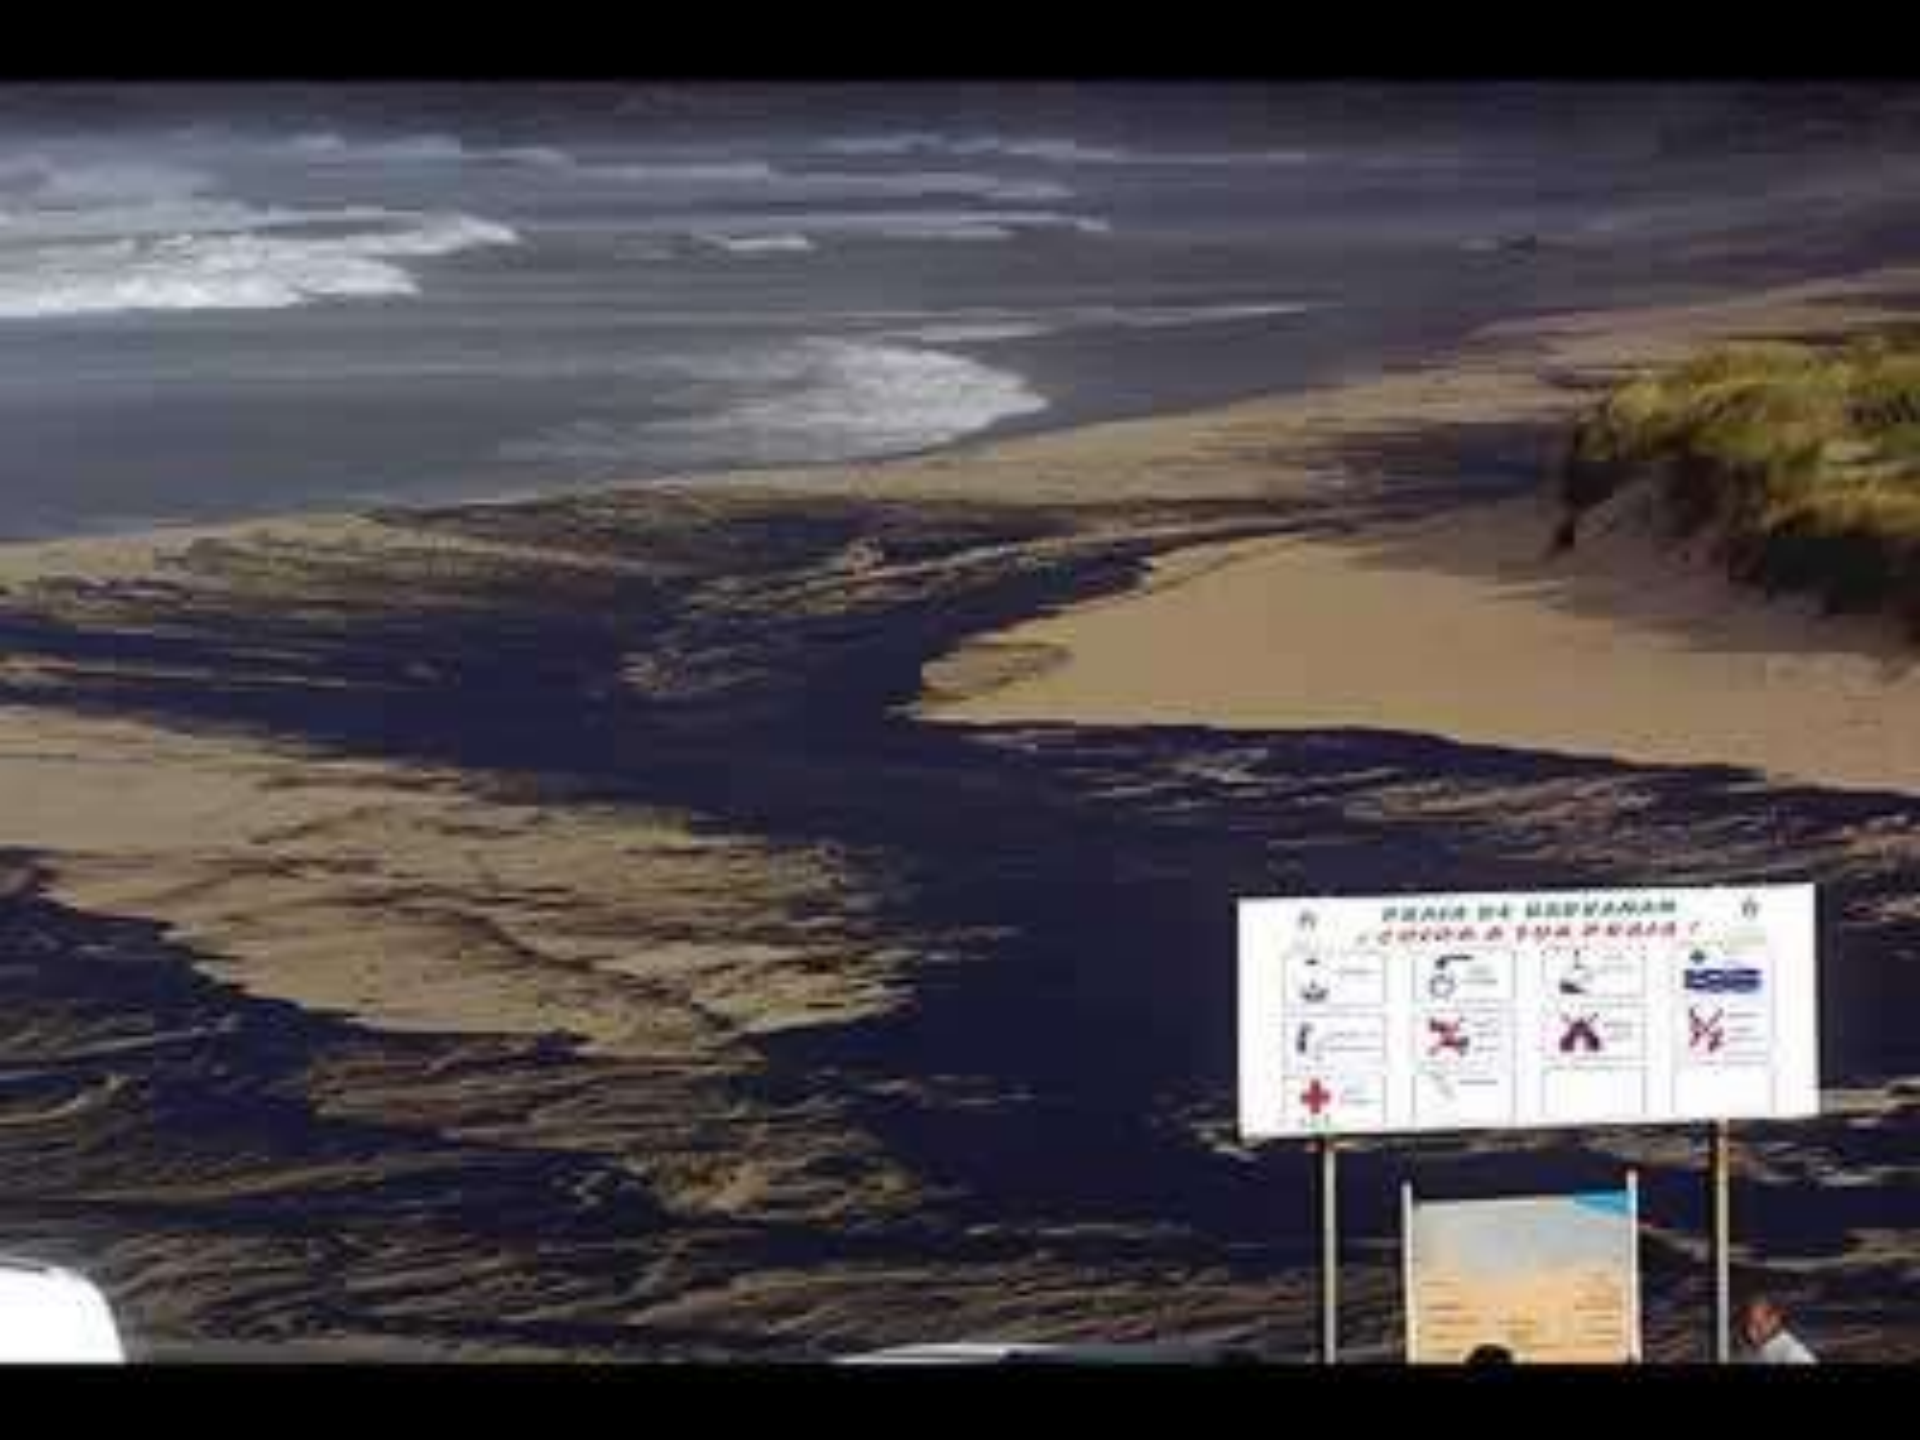

PRAIRIE DE BÉRYNAN
